

PS2 1U Sliding Patch Panel 24 Position ST/FC

A robust 1U 19" rack mountable sliding patch panel unloaded and ready to accept up to 24 ST or FC adaptors. This panel can also be preloaded with adaptors, pigtailed and a management kit in order to meet the customers' needs. It offers up to 4 cable entries for loose tube, tight buffered, steel tape armoured and pre-terminated cables, while the integrated strength member tie positions allow them to be securely placed inside the panel. It is designed with a sliding mechanism for ease access during re-work or installation.
